WORK EXPERIENCE

Implementer at PR Newswire   *JUNE 2015-PRESENT, DENVER, CO*

I am currently working as a UI Implementer at PR Newswire on a contract basis through The Creative Group, a creative staffing agency and Robert Half company.

I am specifically working for a division of PR Newswire that focuses on creating micro sites and content management systems (CMS) for clients. My main responsibilities consist of responsive interface design and front end development of client websites.

UI Designer at Trimble   *MAR 2015-MAY 2015, WESTMINSTER, CO*

I served as an interface design contractor at Trimble through PeerSource, an IT recruiting firm serving Colorado. I designed the Inspection Manager web app interface for Trimble's Heavy Civil Construction unit.

My primary responsibility was to create an interactive mockup that demonstrates the app's functionality to the project's stakeholders while implementing Trimble's brand in the visual design.

Web Developer at Refactor U   *SEPT 2014-NOV 2014, BOULDER, CO*

10-week, hands-on, immersive web development course in Boulder, Colorado. Emphasis on Javascript and various JavaScript libraries and frameworks.

Digital Designer at BDW/Angry Bovine   *2013-2014, BOULDER, CO*

A 50-week graduate program of the University of Colorado, consisting of courses in design, front end development, research, engineering and marketing.

Angry Bovine is a visual design agency based out of Boulder, Colorado. Reported to the Creative Director and owner, developer proficiency in digital interaction design and web design.

Operations Technician at Colorado Commercial Services   *2010 – 2013, DENVER, CO*

Helped with recruitment and orientation of new employees in English and Spanish, marketed new recruitment methods for the company, and provided new staff with orientation including safety and work operations.

EDUCATION

Post-Graduate Certificate in Digital Design BDW, University of Colorado
Bachelor of Arts Degree - Eckerd College, Majors in Business Administration & Spanish
High School Diploma - American Overseas School of Rome

LANGUAGE

- English (native)
- Spanish (fluent)
- Italian (conversational)
